- 18 mm 2-section Aluminium legs
- Maximum Height: 400 mm

### Tripod Stand Operating Instructions

1. **1/4 Screw**
   - A 1/4 screw can be used to attach a camera or other device to the tripod stand.

2. **18mm ball**
   - The 18mm ball allows for smooth movement and adjustment of the camera position.

3. **Ball locking knob**
   - The ball locking knob ensures that the ball remains securely in place.

4. **Extension Column**
   - The extension column allows for height adjustment of the tripod.

5. **Twist Lock**
   - The twist lock provides additional stability and security to the tripod.

6. **Main Center Column**
   - The main center column is the vertical support structure of the tripod.

7. **Base Lock**
   - The base lock holds the tripod stand securely on the ground or surface.

8. **Tripod Leg**
   - The tripod leg is the supporting leg of the tripod stand.

**TRIPOD STAND**

**Galilea® Limited One Year Warranty**

We guarantee to replace or, at our option, repair any products or parts thereof which are found defective in material or workmanship during the first year from the date of purchase. The warranty does not cover any damage caused by misuse, neglect, accident, alteration, or improper installation or adjustment, or other causes beyond our control. This warranty is limited to replacement or repair. In no event shall we be liable for consequential or special damages or for transportation, installation, adjustment, or other expenses which may be involved in connection with such products or parts. The customer shall be responsible for all costs of transportation and insurance both to and from Galilea® COSMO BRANDS INC., and shall be required to supply such costs. No person, agent or employee of Galilea® COSMO BRANDS INC., is authorized to alter the terms of this warranty. This warranty is in lieu of all other warranties, express or implied, and Galilea® COSMO BRANDS INC. assumes no liability for consequential damages. In no event shall Galilea® COSMO BRANDS INC. be liable for any damages whatsoever, because some states do not allow the exclusion or limitation of the possibility for consequential or incidental damages. The above limitation may not apply to you.
